

Using Aetna DocFind To Search for Preferred Providers

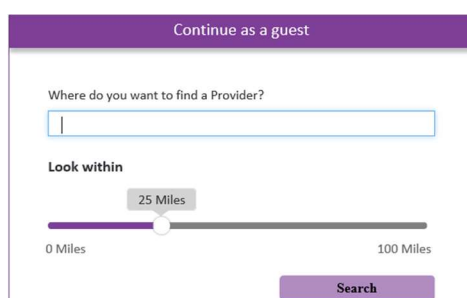

Step 1: Go to our website: www.959trusts.com

Step 2: Click on the **FIND NETWORK PROVIDERS** link on the left-hand side of the screen.

Step 3: Under **Medical Providers** Click the **AETNA PREFERRED PROVIDER NETWORK (PPO)** tab.

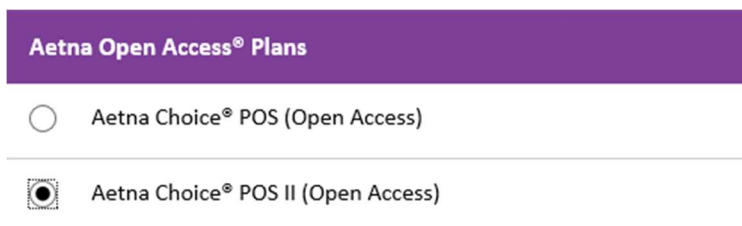

Step 4: Click on the **Plan from an employer** link on the right-hand side of screen under **Not a member yet?**

Step 5: Click on **Continue as a guest** and enter your state, city, or zip code under **Where do you want to find a provider?** You can adjust your distance under **Look within**

The screenshot shows a search form titled "Continue as a guest". It has a text input field for "Where do you want to find a Provider?". Below this is a "Look within" section with a slider ranging from "0 Miles" to "100 Miles", currently set at "25 Miles". A "Search" button is located at the bottom right of the form.

Step 6: Scroll down until you find **Aetna Open Access® Plans** and select **Aetna Choice® POS II (Open Access)** and then **Continue**

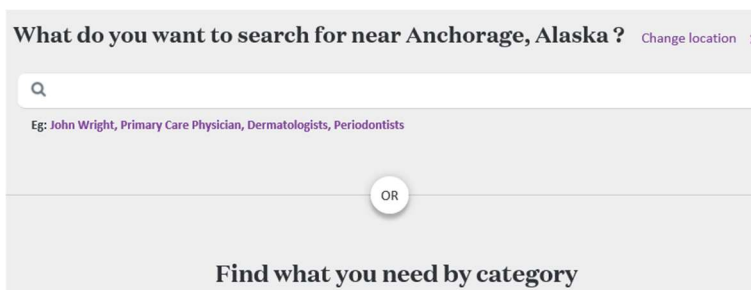

The screenshot shows a purple header for "Aetna Open Access® Plans". Below it are two radio button options: "Aetna Choice® POS (Open Access)" and "Aetna Choice® POS II (Open Access)". The second option is selected, indicated by a filled radio button.

Step 7: Enter the procedure, provider name, or facility to find out what is In-Network.

Or

Find what you need by category.

The screenshot shows a search interface for "Anchorage, Alaska". It features a search bar with a magnifying glass icon and a "Change location" link. Below the search bar is an example: "Eg: John Wright, Primary Care Physician, Dermatologists, Periodontists". A central "OR" button is present, and at the bottom, it says "Find what you need by category".
