

POLICE LINE DO NOT CROSS

Staying Safe in our Community

We all want to feel safe in our homes and community, but in these changing times it is necessary to have a heightened awareness, be aware of resources, and learn new safety tips.

Stories of gun violence, accidental firearm deaths, vehicle break-ins and theft, drug activity, and strangers in neighborhoods are more commonplace. Crime is a reality and people are being victimized or targeted every day.

Join us as Officer Douglas Fifer with the Anchorage Police Department provides tips for personal safety, including preventing accidental shootings; how not to be an easy "target"; and becoming more aware of our surroundings to keep ourselves safe from accidents, violence and crime.
