

Mycatamaranrx Member Re-registration Process

Beginning December 16, 2016

Why do Mycatamaranrx users need to re-register ?

- In mid-2017 OptumRx will launch an enhanced digital experience designed to give employees a whole new level of simplicity and personalization — empowering them to get more out of their pharmacy benefits.
- In preparation we are moving members to a new URL and registration process
- Employees will need an Optum ID beginning December 16, 2016 to take advantage of future enhancements

How will members be informed?

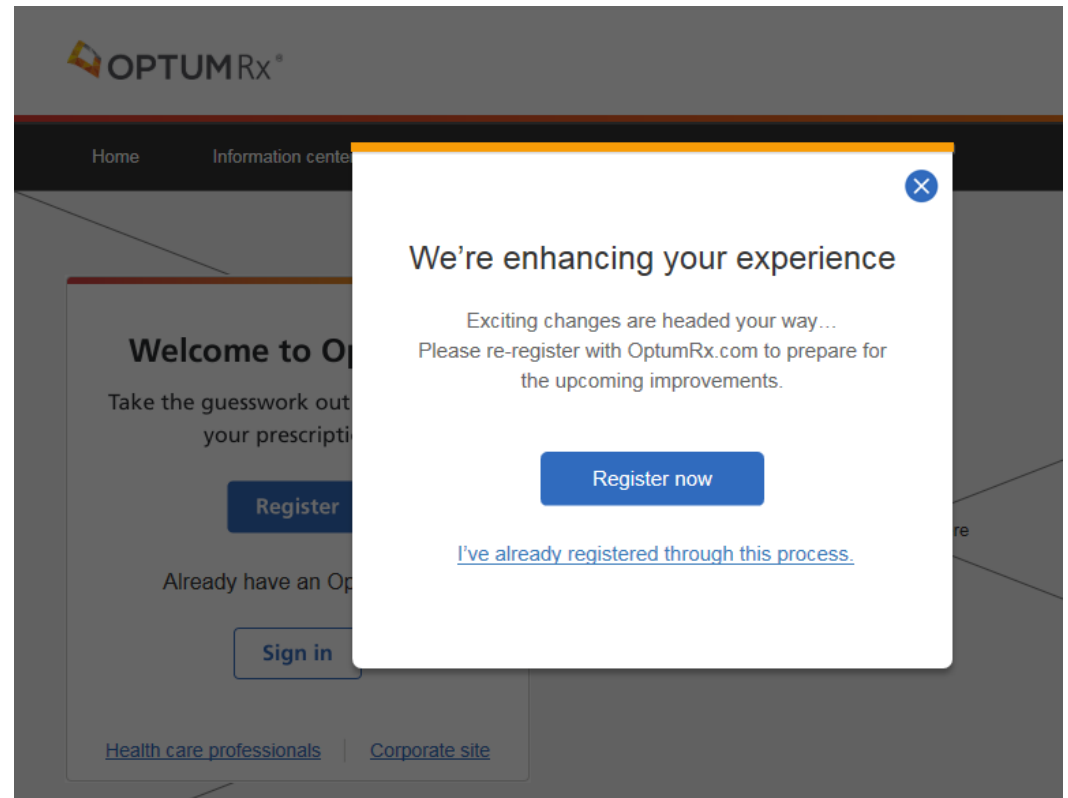

- Registered users of myCatamaranRx will see a message on the website home page the first time they attempt to login on or after December 16. The message will include a brief explanation and entry to the registration process.
- To avoid confusion we will not be sending all members emails or letters about the re-registration process. The only communication will be at the point of login on the site.

Re-registering is easy

- On December 16, 2016 or later registered users of Mycatamaranrx will see a registration prompt on the landing page when they visit again
- The prompt will provide a short explanation of the requirement to re-register
